### PartI. Overview of Industrial Technology in Taiwan

<b>Chapter 1. Current Status and Outlook of Industrial R&amp;D and Innovation Activities in Taiwan</b> .....	3
<b>Chapter 2. Policy Vision and Direction of Industrial Technology Development in Taiwan</b> .....	11

### PartII. Introduction to the Development of Industrial Technology in Taiwan

<b>Introduction</b> .....	21
<b>Chapter 1. Innovation, Research and Development</b>	
Section 1: Prospects for the Development of Innovative Technology .....	27
Section 2: Smart Living Technology Applications and Services .....	40
Section 3: Information Technology Enabled Services (ITeS).....	47
<b>Chapter 2. Electronics, Information, Communications and Optoelectronics</b>	
Section 1: Electronics Technology .....	53
Section 2: Communications Technology .....	63
Section 3: Optoelectronics Technology .....	71
Section 4: Information Technology .....	83
<b>Chapter 3. Mechanics, Mechatronics, Transportation</b>	
Section 1: Machinery Technology .....	101
Section 2: Transportation Technology .....	120
Section 3: Automation Technology .....	133
<b>Chapter 4. Biotechnology, Pharmaceuticals and Food</b>	
Section 1: Biopharmaceutical Technology.....	143
Section 2: Biomedical Device Technology.....	167
Section 3: Bioresources Technology .....	177
Section 4: Food Technology .....	180

**Chapter 5. Materials and Chemicals**

Section 1: Materials Technology .....	187
Section 2: Chemicals Technology .....	199
Section 3: Textiles Technology .....	203

**Chapter 6. Energy and Environmental Protection**

Section 1: Energy Technology .....	219
Section 2: Environmental Protection Technology .....	229

**PartIII. Key Issues in the Development of Industrial Technology  
in Taiwan**

**Chapter 1. Foresight Planning and Promotion for the Industries and Technologies**

<b>in Taiwan</b> .....	237
------------------------	-----

**Chapter 2. A Future Perspective of Cross-strait Cooperation and Competition**

<b>in Industrial Science and Technology and in Policy</b> .....	242
---	-----

**Chapter 3. Current Status of the Alliance of Innovation in the Conventional**

<b>Industry (AITI)</b> .....	245
------------------------------	-----

**Chapter 4. The Realignment of Taiwan's Science and Technology Policy with**

<b>the Far-reaching Effects of the Financial Tsunami</b> .....	248
--	-----

**Chapter 5. Promotion and Current Status of Conventional Industries in Southern**

<b>Taiwan</b> .....	251
---------------------	-----

**Chapter 6. How to Enhance Enterprise Innovation Activities and Added Value** .....

256
